NOTE: This service is provided using a 15-passenger vans. The schedule is approximate and is entirely dependent on traffic. The first stop at the South Bldg. Is located in front of the 4th Wing, South Side of Independence Ave. Other stops at the 800 9th St., Reporters Bldg., NASA Bldg., and School St are done on the street in front of each building. Passengers should be ready and looking for the vans (just like they would a bus), as the van cannot stop for lengthy periods of time waiting for passengers. On the outbound trips to Park Center, the vans stop under the East Wing Arch of the Whitten Bldg., on the North Side of Independence Ave.

^{*}Because of the significant heavy traffic on I-395, arrival of the first two runs are frequently delayed. Regardless, all stops will be made in the District in the proper order.

Telecommunications Devices for the Deaf

How to Call a Deaf or Hard of Hearing Employees

Telecommunication Devices for the Deaf or TDDs permit individuals who are deaf or hard of hearing to communicate over standard phone lines with other TDDs or, by using established relay systems, with non-TDD users. TDD is often referred to as TTY within the deaf community so please be aware of both acronyms.

In order to call the Deaf or Hard of Hearing Employees listed on this page or any other page of this directory you have two options:

If you wish to speak directly with the deaf or hard of hearing employee on the TDD/TTY you can find the equipment at the TARGET Center, the Library, and at the Guards Desks at Wings 1 and 4.

If you wish to call the deaf or hard of hearing employees from your regular phone you must use the Federal Information Relay Service (FIRS).

To use FIRS, dial 1-800-877-8339. The FIRS operator will ask you for the number you want to call. Give the FIRS operator the TTY/TDD number of the deaf or hard of hearing person you wish to speak to. The FIRS operator will dial the number. The deaf or hard of hearing employee will answer the phone and "talk" through the FIRS operator. Speak to the deaf or hard of hearing employee as though they are hearing, pretend the operator is invisible. When it's your turn to speak and you are finished say "Go Ahead", this lets the operator know that you are ready for the other party to respond, the deaf or hard of hearing employee will do the same. When the conversation is finished, say "Signing Off" to alert the operator and the deaf or hard of hearing person that you are hanging up.

To the extent possible use your local TDD relay service. For long distance and inter-city calls requiring the intervention of a relay agent utilize the Federal Information Relay Service (FIRS). Federal Information Relay Service (FIRS): 9-1-800-877-8339.
